You may also be photographed or filmed by the media for a newspaper, including local papers, or by a TV station. You may also be asked to undertake an interview for a story about your scholarship which will appear in the media. Your image and profile may be published on our website, in our newsletter or annual report. It may also be used at a conference or meeting to promote our work.

Western Chances uses profiles of its scholarship recipients to help promote our scholarships and programs to potential applicants and supporters. Please be assured that all names and information that may identify you or your family will be changed if a profile is created based on your story.

Refusal to be involved in publicity for Western Chances will in no way affect your ability to receive further scholarships from Western Chances, nor will it affect your chance to participate in our programs.

If you would like to discuss this prior to making a final decision please contact us on 8345 7812.

You may withdraw your permission at any time and if we have used a profile based on your story, Western Chances will destroy this profile so that it cannot be used again.
